To Whom It May Concern:

The 22nd Annual Mardi Gras Ball for Special People was a great success due primarily to the generosity of both our sponsors and volunteers. As you know, the Special People's Ball is truly a team effort between Moody Gardens and the community. Your support means a great deal to our guests and their families. For many of our guests it is the highlight of their year and gives them the opportunity to experience Mardi Gras in a safe environment that caters to their special needs.

This year approximately 2,200 guests came to enjoy the fun, food and music. Everyone had a great time, including the 260 volunteers that served food, distributed beads and danced with our guests.

On behalf of Moody Gardens, the volunteers and the guests, I thank you and the Krewe du Vroom for your gracious and continued support. It is only through the contributions and commitments of organizations like yours that Moody Gardens can continue to host this great event.

Thank you for your continued support.

Sincerely,
